

# KFN Summer Camp

## Frequently Asked Questions!

### What is KFN?

KFN stands for Kids for the Nations— a summer camp run by CFNI Bible School. It's a Bible Camp for ages 5-12 where kids learn about God, encounter Him, and have a blast while doing it! KFN two camps in one, Day Camp and Preteen Impact. Day Camp is what KidFlo has been attending for the past 12 years, where kids play games, experience fun and educational activities, and have transformational services. Preteen Impact is an overnight camp specifically for 10-12 year olds with all the same activities and life-changing services!

### When is KFN?

KidFlo will be attending KFN Day Camp 2026 from June 15th-19th, which is a Monday-Friday from 9am-4pm. There is extended care available at a fee. (For Preteen Impact info, inquire with Director Moriah.)

### How much is KFN?

Until March 30th, each child is \$195. As a church we will be having multiple fundraisers to cover as much of the cost per child as possible so parents do not have to pay as much.

### Who will be running KFN?

KFN is run by students and staff at CFNI, who are trained for an entire semester to prepare to take care of and minister to your kids with safety and fun as their top priorities! We will also be having Co-Director Sarai as our church leader, and Director Moriah is part of KFN Leadership/Staff as the Native Girls Lead Counselor!

### How can we register for KFN?

Registration will open March 8th, and you will register through Overflow Church and not through KFN's church center registration system. The registration link will be provided through KidFlo resources and there will be a QR code available as well!

### Questions, comments, concerns?
